Hi all,

My comments are attached. Mostly little typos and such. Just one substantive recommendation about how to phrase language

Hi Everyone – Just wanted to say that the Agreement circulated by Jeryl is pretty much what you have seen before and addresses the comments previously received. All this to say that this is pretty much the final draft Agreement. HDOA is totally comfortable and ready to sign this agreement and is expecting us to be ready to sign by the end of next week. So, other than typos and such, I would appreciate it if folks not provide comments at this point unless something got dropped, left out by mistake, got added by mistake, etc.

We will be back in touch once we have spoken with ADC to confirm some last minute info re their structure, # of employees etc., as we figure out how best to address their “Nondiscrimination Program” issues.

We are almost at the finish line here and ECRCO is so grateful for all of the critical assistance provided by our Regional and CRFLO colleagues in developing this Agreement with HDOA!

Please let me know if you have any questions. Lilian
